Prize W

Special "Katori Senko" (pyrethrum coil)

This is the KaToRi Senko (pyrethrum coil) produced by a company established in 1910. It is made from a natural pyrethrum flower, with mild aroma and safe for children, while it quickly kills mosquitoes. By the way, the city's name "Katori" is a homonym to "mosquito repelling"...

Stamps will overlap. We appreciate your understanding...

※ Application void if same stamp is put in more than 1 position.
